Sunday, May 1st – Once you have arrived and found your accommodation we can start exploring Milwaukee together. We will meet in the lobby of the Hyatt Regency Milwaukee Hotel at 6:30 pm and walk straight to the nearby Rock Bottom Restaurant and Brewery. This is a good place to start the week by getting to know first time student and young professional attendees as well as remembering some of the good times we shared at previous ASPRS conferences. For those wanting to stay out later and experience a more modern Milwaukee downtown nightspot, Zenden Bar and Lounge is minutes away.

Monday, May 2nd – Monday is just packed with activities for students. Don’t forget to attend the Student and Employer “Meet and Greet” from 12:00 noon to 1:00 pm. Last year this event was packed! It is an excellent opportunity to meet your potential employer or just to find out what the job situation is in the geospatial market. Later in the afternoon don’t miss out on the fun at the Speed Networking event from 5:15 pm to 5:45 pm, followed by The Student Advisory Council Meeting from 5:45 pm to 6:45 pm. The Student Advisory Council Meeting is a place where you can come and let your voice be heard and give any suggestions, concerns and questions you might have about your place in ASPRS. Afterwards we will meet in the hotel lobby at 7:30 pm and head toward Cubanitas. After enjoying some Cuban specialties we can go to Taylors, an upscale trendy bar where you will have a chance to meet some of the local folks.

Tuesday, May 3rd – Just a reminder for you not to miss the Exhibit Hall Guided Tour from 2:30 pm to 3:30 pm as well as the Exhibitors’ Reception from 5:30 pm to 7:00 pm where you can meet with the representatives from the most influential companies in the geospatial industry. We will let you refresh in your rooms until 7:30 pm when we will meet in the lobby again and try to find our way toward The Safe House. We will keep the mystery of this place here and encounter the adventure together. An intriguing place with great food and atmosphere should come as a reward for a busy day at the conference.

We hope you will join us in these activities and get to know more about your fellow students in the ASPRS. All the selected sites are within walking distance from the hotel, so bring some walking shoes and a light jacket and let’s explore Milwaukee together.
