

Students & Young Professionals

Please join the Student Advisory Council (SAC) for some activities designed just for YOU!

Sunday, May 1st – Once you have arrived and found your accommodation we can start exploring Milwaukee together. We will meet in the lobby of the Hyatt Regency Milwaukee Hotel at 6:30 pm and walk straight to the nearby **Rock Bottom Restaurant and Brewery**. This is a good place to start the week by getting to know first time student and young professional attendees as well as remembering some of the good times we shared at previous ASPRS conferences. For those wanting to stay out later and experience a more modern Milwaukee downtown nightspot, **Zenden Bar and Lounge** is minutes away.

Monday, May 2nd – Monday is just packed with activities for students. Don't forget to attend the **Student and Employer "Meet and Greet"** from 12:00 noon to 1:00 pm. Last year this event was packed! It is an excellent

opportunity to meet your potential employer or just to find out what the job situation is in the geospatial market. Later in the afternoon don't miss out on the fun at the **Speed Networking event** from 5:15 pm to 5:45 pm, followed by The **Student Advisory Council Meeting** from 5:45 pm to 6:45 pm. The Student Advisory Council Meeting is a place where you can come and let your voice be heard and give any suggestions, concerns and questions you might have about your place in ASPRS. Afterwards we will meet in the hotel lobby at 7:30 pm and head toward **Cubanitas**. After enjoying some Cuban

specialties we can go to **Taylor's**, an upscale trendy bar where you will have a chance to meet some of the local folks.

Tuesday, May 3rd – Just a reminder for you not to miss the **Exhibit Hall Guided Tour** from 2:30 pm to 3:30 pm as well as the **Exhibitors' Reception** from 5:30 pm to 7:00 pm where you can meet with the representatives from the most influential companies in the geospatial industry. We will let you refresh in your rooms until 7:30 pm when we will meet in the lobby again and try to find our way toward **The Safe House**. We will keep the mystery of this place here and encounter the adventure together. An intriguing place with great food and atmosphere should come as a reward for a busy day at the conference.

Wednesday, May 4th – The plan is to go to the ASPRS-organized Social Event and take the opportunity to visit the Milwaukee Public Museum. After the visit to the museum what better way to end our final night out at the conference in the "beer capital of the world" than visiting one of the local microbreweries? **Water Street Brewery** offers a variety of good food and great beer choices for everyone. If we decide on a change of scenery, we can walk over to **Bar Louie** across the street or the **Harp Irish Pub**, less than a minute away.

We hope you will join us in these activities and get to know more about your fellow students in the ASPRS. All the selected sites are within walking distance from the hotel, so bring some walking shoes and a light jacket and let's explore Milwaukee together.
