

Northern California Region
2010-2011 Scholarships

The Northern California Region of the American Society for Photogrammetry and Remote Sensing is excited to offer three scholarships for the 2010-2011 academic year. One scholarship will be awarded to a student studying photogrammetry, one to a student in GIS, and one to a student studying Remote Sensing. Each award will consist of \$500 and a one-year membership at the appropriate level, either the Associate or Student.

In order to be eligible for consideration, the applicant must be an active student member of ASPRS. A completed application and current transcript must be submitted for consideration no later than December 15, 2010. The application form is available on the Northern California Region website - <http://www.asprs.org/norcal/> - which may be accessed through the Regions tab at ASPRS.org.

All submissions should be made to the chair of the Awards committee:
