

ASPRS Conference Volunteer Opportunities

Attention All Students

If you are a student at an accredited college or university and would like to attend the 2009 ASPRS/MAPPS Fall Specialty Conference without paying the required Conference Registration fee, consider assisting with the conference.

By helping for a minimum of 10 hours during the week of November 16-19, 2009, depending on your assignments, you will be able to attend the General and Technical Sessions, visit the Exhibit Hall, and enjoy the Exhibitors' Reception.

This is a great opportunity to learn more about the geospatial field, meet some of the top names in the industry, and explore job opportunities. We have even scheduled some activities and sessions specifically for students.

To serve as a volunteer, complete this application and e-mail it to:
Dr. Rakesh Malhotra, Student Volunteer Coordinator, rmalhotra@NCCU.EDU

Application Deadline: October 19, 2009

Please include **ASPRS Volunteer Program** in the subject line of all e-mail messages and send all applications via e-mail to Dr. Malhotra

Assignments will be made on a first come, space available basis and cannot be guaranteed. For more information, contact Dr. Malhotra or Kim Tilley (kimt@asprs.org) or visit www.asprs.org/sanantonio09.
