

## *Volunteer Task Descriptions*

### *Conference Registration Desk*

Volunteers will be asked to distribute pre-registration packets and conference proceedings to attendees who are registered in advance. There will be an ASPRS contact at the registration desk and that person will direct volunteers regarding their duties at the Registration Desk. Messages for attendees should be posted in alpha order on the message board in the registration area.

### *ASPRS Staff Office*

Volunteers will be asked to answer phones, assist with printing of committee and board materials and other requested tasks. These volunteers may also be asked to assist with changing signs throughout the conference and assisting Anna Marie Kinerney, ASPRS Meeting Manager. The staff office must be locked when leaving for any reason if no one else is using it. Volunteers should contact the Conference Registration Desk for admission if the office is locked. Volunteers assigned to the Staff Office may wish to bring some reading materials or other work related items with them as the traffic flow in the office varies throughout the day.

### *(General and Technical) Sessions*

Volunteers are responsible for checking badges as people enter the session rooms to ensure that only those who have paid the conference fees are permitted entrance. People who have paid for Exhibit Only registration are **NOT** allowed to attend any general or technical sessions. The Exhibit Only badges are specially marked to help you identify them easily. Those attendees who register for only one day will have a specific color badge which will clearly note the day they are allowed admission to the sessions. Volunteers assigned to the Technical Sessions should check with the Conference Registration Desk prior to going to their assignment to determine the badge color for that day. The Session Volunteer should check that the proper sign is showing for each session. Sign inserts are in the pockets on the signs and should be kept current. Confirmation of the correct session for each room can be found in the Final Program.

### *Exhibit Hall*

Volunteers will assist Security Guards in determining that all entrants have the proper badge for the day.

### *Poster Sessions*

Volunteers will help presenters mount their posters on the boards provided.

### *Floater*

Volunteers will assist Conference staff wherever needed.
