

Long Title: Footnote of August 20, 2015 to the ASPRS Guidelines for Procurement of Geospatial Mapping Products and Services

***Short Title: Procurement Guidelines – GIS Footnote
(August 20, 2015)***

A joint committee has been formed by URISA and ASPRS members to address additional URISA comments subsequent to the Geobytes Webinar introducing the Guidelines on August 7, 2015.

This footnote will be amended as progress is made in resolving discussion points. The goal is to incorporate the final outcome of discussions into the procurement guidelines document.
