

Certification Embossing Seal and Rubber Stamp Order Form

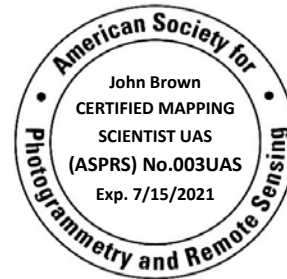

ASPRS is pleased to offer you the opportunity to purchase an embossing seal and/or rubber stamp that signifies your certification. The stamp and seal are identical in appearance, so you should select the item that best suits your purposes. Below is a sample of how your seal or stamp will look. Note that it is time-certain with the expiration date of your certification. Also, be sure to check the style appropriate to your certification(s).

Certified Photogrammetrist

Certified Mapping Scientist – Remote Sensing OR GIS/LIS

Certified Mapping Scientist – Lidar OR UAS

Seals are \$75, stamps and digital versions are \$55 each, which includes shipping and handling. All orders must be prepaid. The manufacturer will send all items directly via UPS. To order, fill in the form below and return it with check, or credit card information to the above address. Please be sure to check the appropriate box(es) above.
